

Do You Practice Safe Charging?

Your personal data is leaked

While you don't know.

Prevent Data Transfer

Charge your devices from airports, coffee shops, public PC—anywhere there's a USB port—while blocking viruses and stopping data leaks.

Charge Faster

The DeSync adapter delivers 1,000-1,500 mAh charging output for rapid powering while you're on the go.

Choose from a sleek, glossy finish or elegant aluminum casing.
