

Magsafe Wallet and Stand

Designed for MagSafe with Kickstand Compatible with iPhone 12 / iPhone 12 Pro / iPhone 12 Mini

Multi-Functional

Use as a wallet and a stand simultaneously.
Simply open the wallet and position it vertically or horizontally for the most optimal screen viewing position.

Conveniently Accessible

Using the RFID Blocker removing and replacing the card in the holder is truly effortless. Simply slide out to remove, then slide back in until you feel the click to relock in place.

Strong Magnetic Connection

Designed with powerful built-in magnets, you can stick the card case into place on the back of your phone.

Branding with the Thin Wallet

Thinner than any other wallet.
