### Large Multi-Compartment and Pocket

Padded laptop compartment with shockproof padded sleeve. Can fit up to 17 inch laptop or tablet. Front easy access pockets for phones, pens, keys etc. Additional main compartment for clothes, books, travel accessories etc.

### USB Port & Anti-Theft Zipper Back Pocket

Made of water resistant and durable material, metal zippers close and open smoothly to ensure long-lasting usage everyday. With built in USB charging port, conveniently charge any of your devices while on the go. The hidden theft proof pocket designed on the back sits up against the user. Difficult for anyone to steal personal items.

### Pick Your Color

The perfect everyday backpack to show off your brand.
