USB Charging Port

This crossbody bag features external USB port with built-in charging cable

Comfortable, Stylish, & Secure

Made of water-resistant hard shell material. Durable dual-access zippers with anti-theft combination lock design allows for easy access and increases safety which can also provide a private space. Breathable sponge mesh design of the back and EV 3D massage board straps can relieve the stress of long carry-on. You can also easily change the direction of the shoulder strap left and right according to your preferences, wearing bag in the front or back.

Large Capacity

Main bag storage is large enough and designs multi-layer partition to meet the needs of storage ipad, earphone, mobiles phones, books, wallet etc.
