

Power Packed. Travel Ready.

**Full Speed Solo.
Smart Split Together.**

Get the fastest charge when using one port—65W (cable), 45W (Type-C), or 18W (Type-A). Charging all three? Power intelligently splits across all with a 65W total output.

65W max next to the retractable cable

18W max by the USB-A

45W max near the second Type-C

Shared total output when charging all: 45W / 20W / 5W

**Cable Built In.
Clutter Checked.**

Integrated retractable USB-C cable keeps your setup clean and your bag lighter.

Traditional Charger

GaN Charger

**GaN Tech, Ultra Fast.
Ultra Cool.**

Smaller, safer, and cooler—next-gen GaN charging keeps performance high and heat low.

**Folds Flat.
Packs Easy.**

Foldable wall plug flips in to go wherever you do—without the bulk.

READY TO ROAM
