

When Only the Gold Standard will do

Never Underestimate the Element of Style

High Power Battery Charger with Midas touch

iMojo gold available in 8000, 5200, and 4000 mAh capacity. With multiple USB charging ports and a charging capacity four times that of the average portable battery charger. iPhone, Android cable included.

The Power of Polish

You might think you don't need the extra style points you get from the polished gold finish and classic leather travel case. That's what makes iMojo gold special.
