

# New! iMojo Solar Charging Pad

Outdoor event, extended outdoor trip, or nature disaster, never run out of power again!

## When There Is Sunlight, There Is Power

## Compact and Portable

Foldable design allows maximum exposure to sun power and easy to transport. Corner holes design for various attachment application.

## High Efficiency Solar Conversion

Built with highest efficiency crystalline solar cell producing 25% power conversion rate (5W and 10W). Pick the power size you need 5W (2-panels), 10W (3-panels), or 15W (4-panels).

5W  
2-Panels

10W  
3-Panels

15W  
4-Panels

## Built to Last

Mojo Solar is built with durable and protective canvas. It's splash and dust-proof. Available in multiple colors.

Item No.	IMOJOSOLAR5W
SKU	
Output Power	5W, 10W, 15W
MSRP	\$39.99
