

## Charge Your Phone in Style

Use the Slender and Stylish iMojo Quartz

## Premium Wireless Charger

Aesthetic and efficient, charging your device with 15W of energy through an ultra-thin design of a solid zinc or plastic frame and tempered glass top.

# 15 W

## Find the Right Color

The iMojo Quartz is perfect for any brand or style. Choose from white, black, orange, teal, red, or create a custom color to match your space.

## Sleek and Minimalist

Add a modern touch to any room by placing the iMojo Quartz on desks, nightstands, coffee tables, countertops, and more.
