

The CD5 Phone Stand & Charger

Charge with Speed and Ease

Stand & Charger

Convenient and efficient, serving as both a charging dock and a phone stand.

Durable and Versatile

The dock includes a flexible tilting connector to reduce wear and tear, as well as a non-slip silicone pad to keep it steady on your desk. Designs are available for Apple Lightning Ports and Type-C.

Fast and Safe Charging

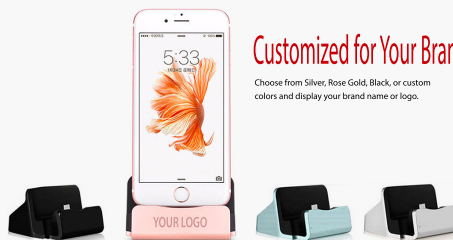

The dock charges your devices at twice the normal rate and includes protective circuitry that prevents overcharge and over discharge. The CD5 is fireproof, stable, and reliable.
