

# Melt Away Muscle Pain and Stiffness

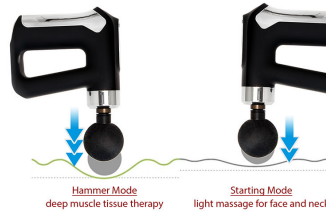

Relax with the Wireless Muscle Massager

## Fitbolt Trinity

### Deep Tissue Muscle Massager with HammerMode

Soothe back pain, neck strain, stiff muscles and more with deep tissue/hammer mode body massage options.

### Electric Pulse Muscle Therapy

Use electric pulse mode to reduce muscle fatigue, treat spasms, aid healing, and soothe pain.

### Heated massage

Warm specific muscle areas while massaging to improve relaxation and blood circulation.

### Handy features

Enjoy the convenience of the Fitbolt Trinity's easy-grip handle and wireless power.

### Includes Six Massage Tips and Carrying Case

Choose the massage tip that's right for the muscles or joints you want to massage.
