## Only 0.003" THIN

The USB card that gets noticed  
An e-Business Card as thin as an actual credit card

### Holiday Travel Season Is Coming. Offer Unforgettable USB Card

From souvenir cards to promotion, your hospitality customers will thank you for a novel, effective way to boost their businesses over the holidays. Theme parks, hotels, airlines, cruise operations, and tourist destinations can lure more customers by incentivizing them with eye-catching USB cards from Idol Memory. Use them as gifts, for rewards points, to store photos and more.
