

Introducing the 2-in-1

UV Sanitizing Box + Wireless Charger

Charge your device and keep any space and area clean around you.

A Multifunctional Box

The UV Box is not just a sterilizer box but also a wireless charger of up to 10W fast charge.

True Reliability

The UV lamps will automatically turn off once the lid is open. Feel safe to keep our certified product on your tabletop and no need to keep away from children.

2-in-1 UV Sanitizing Box + Wireless Charger - new generation UVC Sterilizer box with built-in wireless charger. Disinfect your phone, key chains, or personally accessories with a push of a button. With built-in mirror makes UVC06 a perfect cosmetic companion.
