

# UV Air Purifier

HEPA Air Purifier with UV light for your home, bedroom, or office

## UVC Technology

Trusted and true UV-C light sanitization kills bacteria and viruses that can be harmful to you and your family.

## Whisper-Quiet and Multi-Function

The noise level at low fan speed will be as quiet as 35db and won't disturb your daily life and sleep.

**UV Air Purifier-** Keep your air space clean and fresh with UVC and HEPA air filter. With multi-layers of filtering mechanism pack into a desktop size filter, UVC09 is a perfect tool today for office or working from home.

**Dimension:** 4.7 x 4.7 x 7 in  
**Imprint:** 1 x 1 in.
