

## Ready to Relax by a Cool Fire?

Try the hot new iMist Aroma Flame Diffuser

### Calming Flame

Smart LEDs create a warm, realistic flame effect with a choice of "gentle" or "violent" flame at the touch of a button.

### Healing aromatherapy

Add essential oil to the diffuser's cool mist to create a soothing atmosphere.

### Extra quiet

iMist's operation is so quiet and tranquil, you'll fall asleep instantly.

### Built-in Safety

When water reaches a specific line, iMist's water level sensor shuts off the power automatically.

### Cute and Compact

Small but effective, the iMist is ideal to use anywhere, from a home office to the gym, and it's a gift your friends and family will appreciate.
